Who We Are

Trinity Baptist Weekday Preschool (or TBWP) is a part-time weekday preschool program that meets 3 hours a day. We offer four days for 1-, 2- and 3-year-olds and five days for 4-year-olds. We stress the importance of God's command to love our neighbors as ourselves, while preparing the preschoolers for five-year-old Kindergarten.

Our program was created to provide a Christian learning environment where preschoolers could interact with peers, experience God's love, and build a foundation for life-long learning about God's love. We strive to help children develop spiritually, socially, physically, emotionally, and mentally, by offering a safe, affordable program with loving, Christian teachers.

An Overview of Our Program

Our priority is to demonstrate God's love. We maintain smaller student to teacher ratios than recommended by the State of South Carolina to have optimum supervision and interaction with the children. All classes have two adult teachers, a lead teacher, and an assistant, who are required to pass a background check for employment. Teachers create lesson plans using the Zoo-phonics® learning system and a wide variety of early childhood curriculum resources. Healthy snacks and juice are provided for each class. During class teachers support and reinforce your efforts by encouraging respect, cooperation, kindness, and the use of manners. The combined efforts of your family and the staff of TBWP will help develop a child who:

1. Knows about Jesus and his love for everyone.
2. Possesses all the skills necessary for success in kindergarten.
3. Understands how to treat others by being exposed to Jesus' example.
4. Uses manners during snack time and play time.
5. Uses proper classroom behavior (lining up, sitting quietly, etc.).
6. Appropriately engages in activities (verbally, physically, etc.) and plays with other children.
